<b>93</b>	<b>Private Works, Section 67 Local Govt. Act, 1993</b>											
	1. The Engineer is authorised to undertake private works on the basis that all costs, including the recovery of labour (see below) and plant are covered, plus a 15% margin.											
	2. The person requesting the work is to be informed in writing beforehand that the quotation is given based on current costs and therefore the price stated therein may be subject to adjustment related to the actual costs applicable at the date of execution of the work.											
	3. Labour Costs and Overheads to be calculated as follows:											
	(Wage Rate x No. of Hours Work) + 27.6% Wage On-Costs + 15.% Margin + 10% GST											
	Note: Excludes any Plant usage costs.											
	4. Special Note: Council reserves the right to fix fees for special projects where such are not necessarily included in the above.											
	5. Public authorities will be required to reimburse the Council in full for fees provided above for Council's costs incurred in dealing with the application.
