POLICY TITLE: CLOTHING COLLECTION BINS

FILE NO:

ADOPTED:

MINUTE NO:

PREVIOUS POLICY

ADOPTED: 13/9/93

MINUTE: 572/93

POLICY STATEMENT:

- Wherever possible, bins are to be placed on private commercial establishments (after obtaining owners written permission).
- The placement of bins should be such that in the event of vandalism, in particular fire, there should not be any significant risk to adjacent buildings or persons.
- Bins should not obstruct driver or pedestrian sight distance.
- Bins are not to be placed on public roadways, carparks footways or pedestrian accessways, where obstruction could occur.
- Bins not to be placed in parks, reserves and areas of open space associated with road reserves.
- Approval for bins in car parking areas to be at the discretion of the Director of Works.
- Bins shall be placed on a suitable stable base.
- Bins shall be of solid construction to reduce the chance of vandalism.
- Bins shall be maintained by the owner in good condition at all times.
- Approval be granted for a 2 year period only.
- Approval only to be given for 100% charitable organisations.
